

A pixelated, black and white version of the Twitter bird logo. The bird is shown in profile, facing right. It has a rounded body, a pointed beak, and a single wing with a distinct curve. The entire image is composed of large, square pixels, giving it a retro, low-resolution appearance. The background is white, and the bird is rendered in black and gray tones.

A pixelated, black and white illustration of a classical building facade. The image features two large, fluted columns supporting a pediment. The architecture is rendered in a low-resolution, dithered style, giving it a retro, digital-art appearance. The columns are positioned on either side of a central entrance, and the pediment is visible above them. The overall composition is symmetrical and minimalist, focusing on the basic forms of the classical architecture.

A pixelated, black and white version of the Twitter bird logo. The bird is shown in profile, facing right. It has a rounded body, a pointed beak, and a single large wing that curves upwards and backwards. The entire image is composed of large, square pixels, giving it a low-resolution, digital-art appearance. The colors are limited to black, white, and various shades of gray.
